— BIOGRAPHY

Pac D (Fraktured Phoenix, UKG Proper, Drum and Bass Proper) has been a long time driving force in the soulful Drum'nBass realm of the Arizona music scene. He cut his teeth on the jump up styles of the late 90's, and moved into the deep roller sound in 2000.

After being more active in the studio, a few releases and remixes have opened up his format. From garage to drum and bass and everything in between can be found in his collection. His releases can be found on Downside Up, Audio Entropy, and Dialect Audio.

Alongside the decks he works as a producer, promoter and writer, and his mixes land in the Proper Monday series on Drum and Bass Proper. Book him and the set can run anywhere from garage and lofi to deep rollers and jump up.
