— BIOGRAPHY

Pocket Fullof Sunshine, known in the human world as Jami Dionne, emerged from the glow of Orange County, where trance and breakbeats first sparked her path. Her passion for electronic music led her into production, releasing her first Drum and Bass track "Nesh" with Afghan Headspin on Dirty Kitchen Rave, and she continues shaping an eclectic style across genres.

Rooted in Fraktured Nation's Phoenix chapter, co-owner of Rough Touch Productions, and crafting with Phreak Recordings, she thrives in the underground. She has stepped alongside cult-favorite artists including BUNNY of Rabbit in the Moon, Getto Blaster, J.Philip, Huda Hudia, Keith Mackenzie, Sporty-O, and more, leaving a powerful imprint on dancefloors from Crystal Mountain to Forbidden Forest, Trancendance, and GBF Global Beats Festival.
