SHOMEISTER

NEUROFUNK

DRUM AND BASS

— BIOGRAPHY

Shomeister is a very creative DJ and artist known for his passion in music & creativity for over 2 decades. He loves playing wicked neurofunk drum & bass, breaks, electro house, dubstep, & neuro/glitch hop with heavy basslines, melody & rhythm.

He was exposed to the underground electronic music scene in 2002, and picked up a pair of Technics to learn the fundamentals of DJing while experimenting with different genres. In 2006, Shomeister joined the Dirt Assassinz Crew and started playing out all over Arizona. Then in 2021, he was recruited into the Fraktured Phoenix division of Fraktured Nation. You can also catch Shomeister as Corrupt Data, his tag-team collaboration with fellow Fraktured Phoenix member, Dirty Mind Tricks.

Shomeister continues to evolve into a powerhouse deejay, becoming more creative with his arts and media everyday and making connections all around the world.
