— BIOGRAPHY

XPLCT1's underground music career began in 1992 in dark downtown basements and the surrounding desert of El Paso, TX. This Hawaiian badmon is most known for his massive DnB/Jungle sound influenced by island and Reggae, but make no mistake about it, X stays armed with a versatile audio arsenal of UK Dubs, Breakbeats and Afro/Latin House.

It's safe to say if you love big bass and dirty, funky beats, XPLCT1 has you covered on the decks.
